

VILLAGE OF MAYVILLE
MAYVILLE, NEW YORK

APPLICATION FOR BOAT DOCK SPACE – WAITING LIST

I understand that all the dock spaces are currently filled, and I would like to be placed on the waiting list. I am aware that when a current dock permit holder no longer applies and pays for the dock space that they have held in previous years by the deadline of April 1 their dock will then become available for someone else. The Village of Mayville will keep a running list of applicants that would like a dock space if one became available. This list will be kept by the date that the applicant has turned in their application at the Village of Mayville office or by the date postmarked on the envelope if the application was mailed. When a dock space becomes available the Village of Mayville will contact the applicant at the top of the list, if this applicant is no longer interested in a dock space they will be removed from the list and the next person on the list will be contacted. This process will continue until the dock space has been filled.

Applicants on the list are responsible to keep the Village of Mayville updated of any phone number, email, or address changes.
