**General Terms and Conditions:**

The IEEP or Village Of Mayville may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

The reimbursement is taxable as gross income. Customers are responsible for any such tax implications associated with such a reimbursement. The Village of Mayville and IEEP are not responsible for any tax consequences associated with any payments. The Village of Mayville and IEEP assume no responsibility for performance of equipment and equipment warranty. The equipment purchased must be installed within the Village of Mayville Municipal Electric service territory. The customer relieves The Village of Mayville and IEEP of any and all liability associated with this project. The IEEP reserves the right in its sole discretion to terminate or modify this program at any time.

By submitting this form to the IEEP for reimbursement, I agree to the terms and conditions set forth in this document.
