

**Report to Village of Mayville on
Joint Mayville - Town of Chautauqua Comprehensive Plan
for **September 2024** meeting**

Our Comprehensive Plan Committee met on September 3rd with our consulting team to continue to move this project forward.

Community Engagement has been successful over the summer. Committee members have connected with and engaged members of the public, particularly at events. Interviews have been progressing with several individuals.

There has been a good response to the quick visioning survey at www.MakeYourVoiceHeard.Today . If you have not responded yet, please do so by Sunday September 15th.

The next Comp Plan committee meeting is scheduled for September 25th. A new project website will be launched shortly. In the meantime, information is available on our Village and Town websites.

If you have any questions or would like any further information, please get in touch with me or another Comprehensive Plan Committee member.

Thank you.
